Inscription:

#### Ephraim Hatfield

Born ca. 1760 in Old Virginia  
Died 13 Oct 1847 in Pike County KY

Here lies Ephraim Hatfield. Born in Old Virginia  
Before the War of Independence. Eph came to Kentucky  
around 1820 from Russell County VA. All Hatfields  
from the Tug Valley area are descendants of Ephraim.

#### His Children were:

Joseph Hatfield, Valentine Hatfield, Lydia Hatfield,  
Mary (Emzy) Hatfield, George Hatfield,  
Jeremiah Hatfield, Ake Hatfield and Margaret Hatfield.

#### Annie McKinney Musick Bundy Hatfield

Born ca 1755 in North Carolina  
Died 21 Jan 1859 in Pike County, KY

Here lies Annie. Wife of Ephraim Hatfield and ancestor of  
many of the Hatfield, Musick, and Roman families  
in Pike and Mingo Counties. She was captured and  
kidnapped by the Indians in 1792. Her husband,  
David Musick, was massacred by the Indians, but Annie  
and her children were rescued at Haysi, VA as the  
Indians were taking them to Ohio. She later married  
a Mr. Bundy and then married Ephraim Hatfield. Annie  
was living with her son, Jeremiah, in the house at the  
bottom of this hill when she died.

#### Her Children were:

Abraham, Samuel, Elijah, Elexious, and Phoebe Musick,  
Nancy Bundy, Mary (Emzy) Hatfield,  
George, Jeremiah, Ake, and Margaret Hatfield

Comments:

There are two markers on the grave of Ephraim and Anne. The first  
marker only mentions Ephraim and shows a date of death of 1855  
although other evidence shows it as 1847. It was placed on the  
location in the 1930s.

The second marker mentions both Ephraim and Anne McKinney  
Hatfield. It was added to the existing marker in 2008. The old marker  
was left in place.

Comments: There is some question whether Andrew Supplee Hatfield and Christina Powell are buried in a separate burial site at Roach, Cabell Co., WV 38.36363,-82.22631 or with other family members at Roach, Cabell Co. WV 38.357542,-82.237129. The first location is very near the Guyandotte River and is subject to frequent flooding. I am currently listing them at both until a more certain answer can be determined.

Gravemarker for Jeremiah Hatfield (1843 - 1863) son of George and Nancy Hatfield. Jeremiah died at Louisa, Ky while serving in the Union Army. Jeremiah's grave is in Section A. Row O, Grave 2 in the New Albany National Cemetery, New Albany, IN

Another son, George Jr., died in April 1863. Both George and Jeremiah died of Typhoid Fever. Their sister, Lydia "Lidda", died in August 1863 of Typhoid Fever after washing her brothers clothing that had been returned. It seems George and Nancy lost three children of war related causes within four months

Inscription:

IN MEMORY OF  
FRANK PHILLIPS  
BORN  
JUL 27 1861  
DIED  
JUL 12 1898

If my friends would call to mind with loving thought  
Some kindly deed the icy hands had wrought,  
Some gentle word the frozen lips had said,  
Errands on which the willing feet had sped;  
The memory of my selfishness and pride,  
My hasty words would all be put aside.
